Golden Jubilee Appeal

Dear Friends,

In October this year, a male doctor is coming out from England to work in this hospital When he arrives a male department will be opened There will be out-patients and temporarily 15 beds will be allotted to increase the number of beds by 50 and it is proposed to build a block of 50 beds for male patients

For male inpatients we have been permitted

The reason for this change of policy after 45 years of work as a hospital for Women and Children is this-

(1) That we believe It will increase the value of our work both as a Christian witness and medically Many have been asking for this, and our work here and in villages will be greatly Helped if we are able to treat the male members of the family as well as the women and children,

(2) In these days it is essential for a nurse to be a 'General trained nurse' Our own nurses and those of other hospitals in the diocese are asking for the addition of a male ward in order to be able to qualify for the certificate in general training The minimum number of male beds for recognition as a 'Training Institution' is 50

The plans include

(1) Block of 50 beds of free, paying and private wards for male patients 2 lakhs

(2) Increase in staff quarters to meet this and the growing needs of the hospital 1 lakh

(3) Increased accommodation in the out-patients department

(4) Alterations to kitchens, latrines, etc

(5) It is our desire to rebuild the Children's department and make it a special self-contained block The present accommodation is too small and unsatisfactory 1 lakh

(6) Equipment for these buildings 1 lakh

The foundation stone of the present building was laid in 1904 and the hospital opened by His Highness the late Sir Sri Krishnaraja Wadiyar Bahadur in 1906 We are therefore making this a Golden Jubilee appeal for the sum of Rupees Five lakhs

The appeal is to our friends in Mysore and India to help us to make this place of healing of greater service to the people in this country in which we have been working for almost half a century
